DETAILED ACTION

Response to Amendment

1. applicant's amendment canceling claims 17, 18 leaving only allowed claims 10-16, 19 pending. Therefore, the rejection of claims 17, 18 is moot and has been withdrawn.

Allowable Subject Matter

2. Claims 10-16, 19 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Applicant's amendment requiring the method claimed to include the step of mixing a mixture "consisting essentially of water and wetting agent with the bitumen coated aggregate to form the blacktop paving material"; clearly precludes the teachings of the prior art, because all prior art cited included additional constituents within the paving material in addition to water and a wetting agent, the wetting agent as claimed, is limited to the wetting agent disclosed, which is trademarked under the name "CECA L200".

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
